Dear Parishioners,  
 One of the things about Easter and contemplating the mystery of the Resurrection of Our Lord and Savior Jesus Christ is that it should help us place all things in a much better and brighter perspective. We have been given reason to hope. We are convinced that nothing is impossible with God as the Archangel Gabriel told Mary at the Annunciation. It's all too easy to look around us and allow ourselves to be overwhelmed by what appears to be so negative and unpleasant. Now in light of the Resurrection let's challenge ourselves to see the Lord making all things new right before our eyes. Let's stop just for a moment and realize that there are so many opportunities for greater growth in knowledge and wisdom if we would listen to our inner selves. We spent several nights this Lent listening to sacred stories and could see that the Holy Spirit is always moving in lives around us and in our own lives. Perhaps it's just a question of catching that Fire or just simply saying a great big YES to life and choosing to live with a much more positive outlook and attitude. No aspect of our lives should be lived as if Jesus is still in the tomb. Every day the first prayer on awakening should be and ought to be Thank you Lord. Some days it may just take a SMILE even if you'd prefer not to. Let's not forget what St. Paul was told in 2 Cor. 12:9 : "My grace is enough for you." So, let's be determined to see new life in our very midst and be opened to all opportunities that present themselves for new growth in wisdom and understanding. Our Father truly loves us all and we need to celebrate that. I wish you all a very Happy and Blessed Easter.  
 Father Michael
