Our Parish Mission Statement

We, the people of **Blessed Trinity Parish**, come from diverse backgrounds and **are working together** to learn, live and spread the Roman Catholic Faith. **We support one another on this journey of faith** by studying the Gospel, celebrating the sacraments, especially the Eucharist, and nurturing the spiritual growth of all. Our pledge is **to consistently strive to build an ever-stronger parish family** where the word of God is proclaimed, studied, and integrated into daily living, where we worship in prayer and in sacrament the presence of God in our midst, and where **we witness the Gospel through our actions** of care and concern for the needs of those around us.

Our Parish Needs You!

Please prayerfully consider how you can serve, use your time and talent to help.

Lectors and Sacristans are needed for daily and weekend Masses at St. Mary Magdalene and St. Thomas. Ministry training is available, and CASE (Creating a Safe Environment) Policy training and checks are required. More information about these ministries is available on the parish website: **ccblessedtrinity.org**

You are also invited to lead the Rosary before the week-end Masses, and join the Chimes Choir which is hoping to start up again in the new year!

If interested in volunteering, and for more information, please contact the Parish Office 315-902-4130, Rosemary Seymour 315-594-6037 or Marie Smith 315-591-1051.

CRS Rice Bowl

CRS Rice Bowl is the Lenten program of Catholic Relief Services. The simple cardboard box

is a tool for collecting Lenten alms— and comes with a Lenten calendar that guides families through the 40 days of Lent with activities, reflections, and stories. Your donation will support the work of CRS in roughly 45 different countries each year. 25% of all donations to CRS Rice Bowl stay in the local diocese, supporting hunger and poverty alleviation efforts. Please consider supporting our worldwide community in need. Rice Bowls will be distributed at Masses next weekend. The collection will conclude Easter Sunday.

Participating in the Synod 2021/2023 in the Diocese of Rochester

Pope Francis urged the global Catholic Church to master the “art of encounter.” “Everything changes once we are capable of genuine encounters with (Jesus) and with one another, without formalism or pretense , but simply as we are. Every encounter, as we know , calls for openness, courage and a willingness to let ourselves be challenged by the presence and the stories of others”. Let us ask in church, are we good at listening? How good is the hearing of our heart? Do we allow people to express themselves, to walk in faith even though they have had difficulties in life, and to be part of the life of the community without being hindered rejected or judged? To learn more about this important invitation and how you can participate, visit the diocesan webpage: [**www.dor.org/synod**](http://www.dor.org/synod).

02/13/2022 – 6th Sunday in Ordinary Time (Lk 6:17, 20-26):

Jesus spoke to a multitude of disciples and followers about the rewards that await those who live in His ways especially through adversity. Isn't this the message of the Church left to us by Christ Jesus and shared with us by the Apostles in our day? Synod theme #4 – Celebrating tells us that “Journeying together is only possible if it is based in prayer, on a communal listening to the Word of God and the celebration of the Eucharist.” (PD 30 #4) What joy and freedom can be found when we live life as we ought and help others follow the same path together. This is very possible when we listen to the needs of those we set out to journey together with and understand what is keeping them from entering the path toward the joy and celebration of Jesus. To learn more and/or participate by visiting the webpage www.dor.org/synod also, by contacting 315-902-4130.

As I am sure most of you are aware, tomorrow is February 14, also known as Valentine's day. Of course, Valentine's day is supposed to be a day in which people express their love for each other, supposedly the most romantic day of the year. However, many people don't realize that Valentine's day is named after a martyr of the Catholic Church.

St. Valentine, as far as we know, lived in Rome during the 3rd Century, when the Catholic Church was still a persecuted minority religion in the Roman Empire. Unfortunately, as is the case with many Saints in the early years of the Church, we don't really know much about him. In fact, most of the stories around him are legends, which may or may not have happened. One legend is that he was a Priest who was secretly marrying Christian couples, as well as helping Christians who were being persecuted. Another version of the legend is that he was marrying couples so that the men didn't have to go to war. Another legend says that he was imprisoned for not sacrificing to pagan gods. During his imprisonment, he healed a young woman of blindness and left her a note saying, "your Valentine". The one thing that is agreed upon is that he was martyred on February 14, though even the year is disputed.

With so much dispute as to the life of St. Valentine, even the fact that there is some evidence that what little we know of St. Valentine is actually an amalgamation of multiple people, maybe all named Valentine, the Church decided to remove St. Valentine from the Universal Calendar when they revised the calendar 50 years ago. Now, on February 14, we celebrate the Feast day of Sts. Cyril and Methodius. While Cyril and Methodius don't have the same legends around them as St. Valentine does, we actually know much more about the lives of these two, and their lives were fascinating. Cyril and Methodius were brothers who lived in the middle of the 9th Century. Both men became Monks, and Methodius was eventually consecrated a bishop. These saints are probably most famous for developing a new alphabet, known as the Cyrillic alphabet (named after Cyril). The Cyrillic alphabet is the alphabet used by many Slavic nations, including Russia. They translated the liturgy, as well as the scriptures and other books, into this alphabet, which would be used by the Slavic people. Using a language and alphabet more suitable for the Slavic people than Latin, the two brothers spent a large chunk of their life spreading the gospel to Eastern Europe. Though younger, St. Cyril was in poor health for a long time, and died on February 14, 869 AD. St. Methodius continued his missionary work for another 16 years, eventually dying on April 6, 884 AD. As their lives and their work were so closely related, we celebrate their feast day together on February 14.

Whether you celebrate St. Valentine or Sts. Cyril and Methodius on February 14, there is no debate that this day is an important one, not just for lovers, but for the whole Church. St. Valentine gave his life for the good of all Christians. Sts. Cyril and Methodius spent their lives spreading the Gospel all over Eastern Europe, and the Church in the East owes so much to them. These saints are a reminder of the beautiful, rich history of all the wonderful saints in the Catholic Church.
